TECHNOLOGY DEMONSTRATION AREA

VISITOR RELAXATION AREA

The floor plan displays a grid of booths, each represented by a rectangle with a number and a company name. The booths are arranged in a structured layout across the hall. Key areas include the Technology Demonstration Area on the left and the Visitor Relaxation Area on the right. Numerous companies are listed, such as Bosch Rexroth, AVL, and many others. Booth numbers range from 1000 to 11000. The plan also shows aisle widths and booth dimensions.
